

World Environment Day Celebration (05th June 2022)

Plantation Drive In the school on the Occasion of World Environment

Plantation drive was observed in **ATAL ADARSH VIDYALYA , AURANGZEB LANE**. Students, HoS, Teachers and staff from Horticulture Department NDMC, participated in this drive very enthusiastically and planted the saplings in the flower pot and at the school boundary. Further they have also been said to adopt one plant by group of different students and take care of these sapling so that it may develop well in the passage of time. Students were told about the growing menace of pollution and how this plantation may help in to curb the pollution.
